Dear Colleague

### **School Term Dates 2019/20**

The school term dates and holidays for 2019/20 have now been approved and will be published on the [West Sussex County Council](http://www.westsussex.gov.uk) website. A link to the published school term dates is also available on the West Sussex Services for Schools website.

Following discussions with representatives from our neighbouring local authorities two draft proposals were put forward to the Heads Executives, Joint Consultative Committee and other interested stakeholders for consultation. A final decision has been made by the Director of Education & Skills. This takes account of the feedback from stakeholders and the potential impact of the proposals on parents.

Yours sincerely

**DEBORAH MYERS**

Director of Education & Skills
