

Pre-Key Stage Standards Assessment Training 8th February 2019

There are significant changes in the assessment of children's attainment at the end of Key Stage 1 and Key Stage 2, that are working below or towards criteria or the standard of statutory tests.

A training session is available for KS 1 or 2 teachers, SENCo's or leader's that have responsibility for assessing pupils with special needs. It will be an opportunity to share and begin to moderate with other schools.

Places are limited to one per school and participants will be asked to bring evidence of attainment for one or two children who are working within the Pre-Key Stage Standards.

Friday 8th February 2019

County Hall North in Horsham

£30 for maintained schools and £50 for academies

Morning Session	9:00am – 12:00pm
Afternoon Session	1:00pm – 4:00pm

To book a place email statutory.moderation@westsussex.gov.uk stating

- Morning or afternoon
- Name of school and person attending and their role
- 'Pre-Key Stage Standards Assessment Training' in email header
